¹ At least one month before the beginning of the stay abroad

² Any other available mobility programme (e.g. WTZ, ASEA Uninet, CEEPUS) or \$26 FWF project funds that could be used to finance a stay abroad must be used.

³ Pre-habilitation or no longer than 9 years after receiving a doctorate; child care responsibilities and alternative carrier paths are considered separately.

⁴ For Travel and accommodation expenses per calendar year and stay abroad

⁵ Vetmeduni Vienna must be visibly identified as the home university in the conference presentation.

⁶ Without exception, compulsory externships will not be supported, because their financing must be covered by the organisational unit as part of the residency training contract.

⁷ This amount of funding is available only once per applicant and residency programme.

Funding opportunities for staff members – a brief outline

The University of Veterinary Medicine Vienna seeks to promote international mobility of staff. Therefore, both participation in international exchange programmes as well as cooperation initiatives are supported with university funding.

I want to...

... complete advanced education abroad:

in Europe with **ERASMUS+** STT or worldwide with financial support of the Vetmeduni Vienna

... teach abroad:

in Europe with **ERASMUS+** STA or in Asia with **ASEA UNINET**

... conduct research abroad:

worldwide with financial support of the Vetmeduni Vienna

... participate in a scientific conference:

worldwide with financial support of the Vetmeduni Vienna
