

## Temporary crating Theory and practice

Dr. Barbara Zehnder

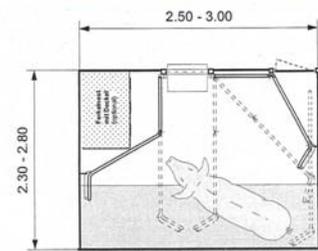

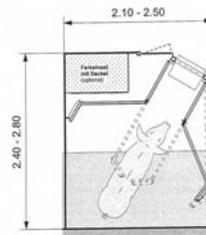

Swine Health Service  
Bern-Westschweiz  
Switzerland

- ▶ Crates forbidden in farrowing unit
- ▶ Two exceptions: crating is allowed for restricted time (3 days)
  - Leg problems
  - Aggressive against piglets
- ▶ Crating must be documented like medical treatment

5.5 – 6 m<sup>2</sup>

## Theory & practice...

- ▶ Crates are used...
- ▶ Unknown
  - how often ?
  - how long ?
