The University of Veterinary Medicine, Vienna is active in teaching and research and provides services in connection with ensuring animal health in Austria. These tasks represent our contribution to maintaining the health of humans and their animal companions as well as to producing healthy food.

To meet our objectives, the University’s Graf Lehndorff Institute at Neustadt (Dosse), Germany, is looking for a

Universitätsassistentin/Universitätsassistenten

Grade: B1  
Level of employment: 40 hours  
Length of employment: 4 years  
Deadline for applications: 10.03.2021

The Graf Lehndorff Institute is a joint research institution of Vetmeduni Vienna and the Brandenburg State Stud at Neustadt (Dosse), Germany. Integrated into one of Europe’s oldest State Studs with over 300 horses, it offers a unique work environment for scientists who want to focus on equine research.

Responsibilities

• Research within one of the research fields of the Graf Lehndorff Institute (equine reproductive biology, horse husbandry, animal welfare and digital animal monitoring)  
• Participation in the teaching of veterinary students

Necessary knowledge and qualifications

• Graduation in Veterinary Medicine or a MSc degree in Animal Science or a MSc degree in another field of expertise relevant for horse breeding and equine research  
• Research in equine reproduction documented by international, English-language publications  
• Experience in horse breeding and management and competence in handling broodmares, stallions and foals  
• German language (level C1)

Skills and Abilities

• Excellent knowledge of written and spoken English  
• Experience in organising seminars and events  
• Teamwork and communication skills, flexibility and ability to perform well under pressure

Minimum salary

The minimum salary for university staff is regulated by the collective contract and at the level given above amounts to EUR 2,971.50 gross per month (14 times/year). The minimum salary
may be increased when previous employment and other salary components are taken into account.

**Applications**

Please submit applications quoting the reference number 2021/0226 via e-mail (preferably) to bewerbungen@vetmeduni.ac.at or by post to the Personnel Department of the University of Veterinary Medicine, Veterinärplatz 1, 1210 Vienna. Please do not forget to include the reference number or we shall be unable to relate your application to the correct vacancy announcement.

The Vetmeduni Vienna is attempting to increase the proportion of female staff, particularly in senior positions, and in accordance with § 41 of the 2002 Universities Act it is striving to attain a balanced representation of men and women, especially on its scientific staff. Applications from qualified women are thus particularly welcomed. If women are underrepresented (below 50%), female applicants who are as well qualified as the best qualified male applicants will be given preference, provided that there are no strong reasons for favouring a particular male candidate.

Applicants have no entitlement to reimbursement of any travel or accommodation costs they may incur as a result of the application procedure.

The Vetmeduni Vienna is proud to have been awarded the certificate "hochschuleundfamilie" (career and family). We should thus be especially pleased to receive applications from people with families.
