

The Vetmeduni teaches, undertakes research and offers services designed to guarantee the health of animals in Austria. We view our work as our contribution to ensuring human health and the health of our animal companions as well as to the production of healthy food. To help us meet these objectives,

our **Clinical Centre for Animal Reproduction, Clinical Department for Small Animals and Horses**, is looking for an

University Assistant (Pre-Doc) (m/f/d)

Grade:	B1 Prae-Doc
Level of employment:	40 hours per week
Duration of contract:	limited to 4 years
Deadline for applications:	23.05.2026
Reference number:	2026/0023

Responsibilities and tasks

- Clinical work in species-comparative animal reproduction and obstetrics, including week-and night-shift work and on-call duties
- Participation in the clinical training of veterinary students in reproduction of horses, ruminants, and small companion animals
- Work towards a research-based doctoral degree (Dr.med.vet or PhD)
- Participation in administration and teaching of the centre

Necessary education, qualifications and knowledge on taking up employment

- Completed degree in veterinary medicine (Diploma- or Bachelor+Master)
- Basic veterinary experience in modern reproductive medicine of horses, pigs, ruminants and small companion animals
- Basic knowledge of clinical scientific work
- Very good German knowledge (C1)

Desirable qualifications and skills

- Team-worker, commitment, flexibility, and loyalty
- Good English knowledge (B2)

We offer

- Top university: the Vetmeduni is one of the leading academic institutions in Europe to offer education in and undertake research on veterinary medicine
- Stable employer
- Attractive campus
- Opportunities for further training, both personal and in connection with your career
- Preventive and medical health care

- Diversity- and family-friendly culture
- Childcare facilities, both in term time and during holidays
- Many attractive fringe benefits
- Staff events

Minimum salary

The minimum salaries at universities are governed by a collective bargaining agreement. At the level given above, the minimum salary amounts to EUR 3,776.10 gross per month (based on full-time employment 40 hours/week).

Applications

We shall be happy to receive your application, quoting **reference number 2026/0023**, by e-mail to bewerbungen@vetmeduni.ac.at. Please **do not forget to include the reference number**, or we shall not be able to assign your application to the correct position.

In accordance with § 41 of the 2002 Universities Act, the Vetmeduni is striving to increase the proportion of female staff members, particularly in leadership positions, and to achieve a balanced ratio of men and women on its staff, especially the scientific staff, and would thus welcome applications from qualified females. If women are underrepresented (below 50%), female candidates who are as well qualified as the most appropriate male candidates will be given preference, provided that there is no reason to prefer a particular males candidate.

There is no cost for applying for the position. However, candidates have no rights to reimbursement of any travel and accommodation costs that may arise in connection with their applications.

The Vetmeduni is proud to hold the certificate "hochschuleundfamilie" (university and family) and thus welcomes applications from people with families. We also welcome applications from persons with disabilities or chronic conditions. If you have any questions regarding this, please feel free to contact our disability liaison officer by email at bvp@vetmeduni.ac.at.
