

Department für Biomedizinische Wissenschaften
Institut für Physiologie, Pathophysiologie und Biophysik
Abteilung für Physiologie und Biophysik
Veterinärplatz 1, 1210 Wien

Vienna, May 17th, 2016

Invitation to the guest lecture:

**"Aurone synthase is a catechol oxidase with
hydroxylase activity and Crystallization
of the enzyme applying polyoxometalates"**

Univ.-Prof. Dr. Annette ROMPEL

Universität Wien, Institut für Biophysikalische Chemie

**Thursday, June 2nd, 2016
13:00 c.t.**

Seminar room of Physiology (HA05 P51)

We appreciate your interest in this lecture and would be glad to see you there!

Contact: Univ.-Prof. Dr.med. Elena E. Pohl
